

Securing enterprise & personal mobility

# PKard® Reader

## Bundled reader, software & support for iPad & iPad mini

U.S. DoD & Federal secure mobility with CAC, CAC dual persona & PIV smart cards

Hardware is a simple, elegant case for the iPad mini, or the iPad 2/3. The bundled U.S. secure browser allows direct access to Outlook Web Access, SharePoint and portal sites. The browser also coordinates reader and card access to a secure ecosystem of optional Thursby, third-party and organization-specific apps including Exchange S/MIME email, document signing, editing, sharing, IM, VPN, MAM, MDM and more. U.S. phone and email technical support is included.

The card does not protrude when fully inserted. Charging is available with the case on via the built-in micro USB port and provided cable.
